

# What is sparkler?

SCAN ME

Sparkler is a FREE mobile app made for caregivers. It helps encourage a child's healthy development (from birth through age 5).

1. Download Sparkler by scanning the QR Code above with your mobile device, and go straight to the location for downloading

2. Open the app and "Create a New Account"

3. Enter the Sparkler Access Code:

**BridgeportFAM**

4. Finish Set Up

5. Get parenting tips, interact, and play using the library's activities

6. Take the ASQ to see how your child is developing, and print and share with family

Sparkler is certified by iKeepSafe, which means it exceeds federal and state data privacy laws. Sparkler will not share any information without parents' explicit permission.

# sparkler

Get your child ready for learning and life!

A child's brain grows rapidly in the first few years of life.

*Use Sparkler to help your child develop their heart, mind, body and words!*

# Start strong with sparkler

Use the Ages and Stages Questionnaires (ASQ) to get a quick check of your child's development.

Discover which milestones to look for next. Learn about any follow-up steps you can take to ensure your child's success in school and life.

Get answers to questions about your child's:

- growth
- movement
- communication
- problem-solving and
- emotions

## Help them grow!

### KNOW

Use the Ages and Stages Questionnaires to understand how your child is developing and to celebrate early childhood milestones.

### PLAY

Get ideas for activities to play together and grow your child's heart, mind, body, and words.

### GROW

Follow your child's progress and keep track of learning in a scrapbook.

### CONNECT

Chat with family and friends, and get information from early childhood coaches – to support your child's learning and development.

Sparkler inspires learning through play – giving families ideas for games, pretend play, creative projects, and outdoor adventures to try with kids, from birth through age 5.
